\*\*Kura: Valentines Day is friday, so I am posting a one-shot daily on fluffy romance. \*\*

\*\*Sakura: We hope you like this one-shot.\*\*

><p>It was meant to be a joke. They never thought they would believe what they had written. Especially since what was written, was written by an older student so it would be...more sappy...<p>

Wait. You're confused, aren't you?

Well...it started earlier in the day.

><p>A young boy with auburn-brown hair and green eyes sat next to a boy with chocolate-brown hair and azure eyes. It was valentines day, and Miss. Toothiana was holding a party for her kindergarten class.<p>

"Okay! Everyone made their Valentines Box, right?" The children nodded happily. "The hand out your cards!"

The children ran around, placing valentine after valentine into each box. However, two boxes remained primarily empty. They belonged to some of the youngest boys in her class. Henrik "Hiccup" Haddock, age six, and Jackson Overland Frost, age five. The duo was currently in the washroom, cleaning up Henrik. Why? Well...somehow, he got covered in red, white and pink paint. When they came back, they walked to their box. Pulling out three valentines, two with familiar names; Merida Dunbroch and Rapunzel Corona, but the third? They opened the card, and read silently:

\_\*\*My beloved friend, \*\*\_

\_\*\*I can not tell you how much you mean to me. \*\*\_

\_\*\*You are my rose in a field of weeds. \*\*\_

\_\*\*You shine like the stars. \*\*\_

\_\*\*When I gaze into your eyes, \*\*\_

\_\*\*I see jewels worthy of kings.\*\*\_

\_\*\*Meet me at the swings outside during recess, \*\*\_

\_\*\*even if we aren't allowed.\*\*\_

\_\*\* For I wish to give you a kiss. \*\*\_

\_\*\*Yours forever more, \*\*\_

\_\*\*your secret admirer.\*\*\_

Jackson and Henrik were both bright red. Who could it be? A few hours later, Miss. Toothiana called recess. They both snuck out. Jackson arrived first. He sat on a swing, not minding the snow. He loved it actually.

"Jackson?"

Jackson looked up, "Henrik?"

Awkward...

><p>"Okay class, story ti- where are Henrik and Jackson?" The class shrugged. How should they know?<p>

"OUT THERE!" Rapunzel yelled, and Miss. Toothiana looked outside. She gasped when she saw both boys.

><p>"So...I...here..." Henrik held out a single Hershey's kiss. Jackson cocked an eyebrow. "Happy Valentines day..." Henrik sat next to Jackson. "Close your eyes." Jackson told him. Henrik was confused, but did as he was told, and closed his eyes. He then felt a pair of lips on his own.<p>

\* \* \*

><p>"Oh...my..." Miss. Toothiana gasped. The sight she came to see? Jackson Overland and Henrik "Hiccup" Haddock, kissing on the swings as snow gently fell from the heavens.<p>

\*\*Kura: Review. More valentines day one-shots will be coming! If you have a request, feel free to leave it in a review or PM.\*\*
